

FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies Are Using Recipe of Sage Tea and Sulphur.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe. Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.—Advt.

ESPAGNE SAILS 48 HOURS LATE; U-BOAT RUMORS

Pretty Girl Halts and Father Cries French Soldier at Liner's Gangplank.

The French liner Espagne sailed today for Bordeaux, forty-eight hours after she was scheduled to depart. The reason for the delay was given as a scarcity of coal. A well-defined rumor on the dock was that it was occasioned by the presence of a German raider sighted 300 miles off Sandy Hook. The same rumor had it that the steamer awaited the arrival of the harbor of a French or British cruiser to convey her to safety. The Spanish liner Alfonso XII, in this morning from Cadix, saw no raider. The Espagne has 170 cabin passengers and fifty-two in the storeroom. Just before the Espagne pulled from her pier, Paul Biezett, a soldier of France, in uniform, rushed to the gangplank and was intercepted by a pretty girl. Biezett broke away and a man with the girl began to belabor him with a cane. The girl was Miss Frieda Wolff of Atlantic City, and the cane wielder was her father. Her mother added to the excitement. The soldier and the girl were engaged when war broke out, and Biezett went to war. He returned a few weeks ago. When he said he was going right back Frieda and her family objected.

ILL POLICEMAN SHOTS SELF DEAD, MOTHER NEAR

Henry V. Meyer, Known as a Brave Officer, Sends Bullet Through His Own Heart.

Patrolman Henry V. Meyer, thirty-one years old, of the Simpson Street Police Station, killed himself by shooting himself in the heart at the home of his mother, No. 1903 Wallace Avenue, to-day. He was to have reported to Police Surgeon Higgins this afternoon for examination, having applied for an indefinite sick leave. Meyer's mother heard the shot and called up Police Headquarters in the Bronx. Mrs. Meyer said her son had separated from his wife and was suing for divorce. Meyer had been ill for several weeks, but had kept on duty. He had a good record. In November, 1915, he was shot in the leg when pursuing two thieves through the alleyway of a Simpson Street apartment house.

JAIL FOR TICKET SPECULATOR

Magistrate Imposes Workhouse Sentence Instead of Fine. The efforts of Felix Viscaro of No. 137 West One Hundred and Forty-second Street to convince Magistrate Murphy in the West Side Court today that Detective Cummings was not telling the truth cost the speculator five days of liberty. Cummings said Viscaro tried to sell him theatre tickets and then, recognizing him, ran.

Dry, Hoarse or Painful Coughs Quickly Ended

Home-Made Remedy that Saves You \$2—Does the Work Thoroughly.

The prompt and positive action of this simple, inexpensive home-made remedy in quickly healing the inflamed or swollen membranes of the throat, chest or bronchial tubes and breaking up tight coughs has caused it to be used in more homes than any other cough remedy.

To make this splendid cough syrup, pour 2½ ounces of Pinex (50 cents' worth) into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. You then have a full pint—a family supply—of a much better cough syrup than you could buy ready-made for \$2.50. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, combined with gualacol and is known the world over for its promptness, ease and certainty in overcoming stubborn coughs and chest colds.

To avoid disappointment ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Fort Wayne, Ind.—Advt.
